PRIVACY

Subject

Notice on treatment of your personal data under articles 13 e 14 Reg. (UE) n. 679/2016, regarding protection of people and other data subjects in personal data processing (now also “**Regulation**”).

Dear Madam/Sir,

We wish to inform you that, for the purposes of undertaking and pursuing our current contractual relationship with you, our company is in possession of your data, which may have been acquired verbally, directly or through a third party. Regulation requires those processing personal data to notify the data subject of the data that is processed and a number of items of information concerning how it is processed: it must be processed correctly, lawfully and transparently, protecting your confidentiality and your rights. In the context of the provisions of the law, our company guarantees that data will be processed with respect for the fundamental rights and freedoms and dignity of the data subject, with particular reference to confidentiality, personal identity and the right to protection of personal data.

In compliance with this legislation, we hereby provide you with the following Information.

Nature of the data processed

We process your identifying data and fiscal data, and data of an economic nature required for the purposes of existing and future contractual relationships. We do not have any data on you which might be considered sensitive or judicial.

Purposes of the processing

Your data will be processed in relation to contractual requirements, the consequent fulfilment of legal and fiscal obligations, and effective management of financial and commercial relations. The data will be processed for the entire duration of the contractual relationship and subsequently to its conclusion for completion of legal requirements and for administrative and commercial purposes such as updating the company’s registry and statistics, invoicing, customer and supplier book-keeping, sending commercial information, and sending newsletters and promotional material (via post, fax and e-mail).

Processing methods

The data will be processed using tools and procedures capable of guaranteeing security and confidentiality and may be processed on paper or by computer.

Obligatory or optional providing of data

Refusal on your part to provide data which we must obtain in order to fulfil our obligations under contracts, laws and European regulations and standards, or orders given by Authorities authorised to give orders under the law and by supervisory bodies will make it impossible to set up or pursue a contractual relationship with you, to the extent that the data is necessary for this purpose. Refusal to provide data we are not obliged to have shall be considered on a case-by-case basis, and a decision shall be made depending on the importance to us of the requested data which you refuse to provide.

Data communication and disclosure

We will not disclose your data, meaning providing it to any other party in any way, even by making it available for their consultation.

We may communicate or disclose your data as follows:

to parties who may access the data under provisions of the law, European regulations or standards, to the extent stated in these regulations;

to parties needing access to your data for purposes related to your relationship with our company, to the extent strictly necessary to perform a number of auxiliary tasks (such as, by way of example, banks and shipping agents);

to our consultants, assistants and employees, to the extent necessary to perform their work for our company, having given them a letter of appointment requiring confidentiality and security; to all physical persons and/or legal entities, public and/or private, if providing the data is necessary or useful for performing our tasks.

Your rights

Privacy legislation (Articles 15-22 of the Regulation) guarantees Data Subjects the right to access data that concerns them at any time, as well as to request the correction and/or integration, if inexact or incomplete, deletion or limited processing of their data, if the conditions are met, to oppose processing for reasons relating to the situation of the Data Subject, to request the portability of the data provided, if processing is carried out by automated means and on the basis of consent or for the execution of a contract, to the extent envisaged by the Regulation (Article 20)

To exercise these rights and request deletion of your email, you may contact the person responsible, Mr. Paolo Pini, via email at info@casaledegliulivi.it or by post at: Casale degli Ulivi Loc. Podere Casella, 53040 Rapolano Terme (SI).
